

## **Vancouver Island Short Film Festival (VISFF) Policy for Establishment of the Selection and Judging Committees**

The Selection and Judging Committees are tasked with choosing the best short films according to a variety of criteria including compliance with VISFF rules and regulations, production quality, and originality. All persons who submitted to the festival will be advised if their film(s) have been shortlisted for selection, will be contacted if their film is to be screened and informed if they are nominated for Goldie (VISFF award).

Selection and Judging Committee members are recommended by Executive Organizing Committee (EOC) and approved by VISFF Advisory Committee (Board).

### **QUALIFICATIONS, RULES and REGULATIONS for CONSIDERATION by the SELECTION COMMITTEE**

- (1) Short Films are defined by the VISFF as having a running time of 15 minutes or less, including credits. Music videos, previews and advertisements will not be considered.
- (2) Films previously entered and screened at the VISFF are not eligible for re-entry in subsequent years.
- (3) If the primary language of a film is not in English, then it must have hard coded English subtitles.
- (4) Short Films must be submitted online, in the highest quality possible. Films can be broadcast in High Definition at 1080p.
- (5) Short Films must be compliant with all copyright laws. If music or additional film material used in your film is not original, then permission from source must be obtained. The responsibility for this rests entirely with the filmmaker. Failure to obtain clearance could result in your film being withdrawn from the Festival. In this event, VISFF will not be liable to refund the fee or return the materials entered.
- (6) A fee is required upon online submissions, which must be paid in full. One entry per fee.
- (7) VISFF reserves 10% or 2 spots (depending on running time) of the total festival running time to local films.
- (8) By submitting to the VISFF, the participant is granting permission to view their film by the Selection and Judging Committee and if selected for screening, is granting permission to screen the film at the VISFF and use it in promotional materials (including but not limited to press releases, websites, social media, TV, radio and print).

The Vancouver Island Short Film Festival is not responsible resolving technical issues with submitted films.

## **SELECTION COMMITTEE**

- (1) There shall be a Vancouver Island Short Film Festival Selection Committee consisting of five (5) individuals appointed by the VISFF Board on the recommendation of the EOC and whose mandate shall be to nominate and elect short films, as per criteria, to be juried by the Judging Committee.

- (5) The Selection Committee shall be composed of five (5) members for a one-year term, after which, individuals may continue to serve and be appointed to the Committee for a service period of up to a maximum of three (3) years. At the end of a three-year term, an individual may not be eligible for reappointment for a period of one (1) year.
- (6) A person currently on the Board, on the Judging Committee, on the festival production and/or EOC, or a person who has directed, produced, acted in, or is affiliated with any film submitted to the festival in the current year is not eligible to sit on the Selection Committee.

The top 90 minutes (approximately) of Short Films shall be considered for screening. This is approximately 10 to 20 short films depending on the length of each individual film. Two spots or 10% of the running time of the festival is reserved for local films. If including films with tied scores would increase the running length of the festival over 90 minutes, the Selection Committee members will be encouraged to include films that will help create a diverse, more inclusive show.
- (9) The VISFF promotes quality story telling. Films with strong, well-told story line will be given priority over films with high technical achievement.
